BLOCK PLACEMENT TRAINING (Internship – BPT) Report – 2023-24

❖ **Introduction :**

The block placement is a distinct feature of our MSW programs, allowing students to concentrate solely on the internship after completing all of MSW coursework. BPT provide the opportunity to the students to enhance knowledge and skills which learned in the classroom and apply them to real-world hands-on learning in the internship.

Internship is one of the components of social work practicum, wherein after the completion of the required field work, an opportunity is provided to the learner to strengthen his/her skill and knowledge base in his/her area of interest. Block Placement (Internship) aims to provide an opportunity to experience day-to-day work in a social work setting. The learner gets involved with direct practice with the client system and with the ongoing management operations of the setting. It also enables learners to integrate learning and generate newer learning by participating in the intervention processes over a period of 4 weeks (one month) continuously, in a specific agency. Block fieldwork is provided at the end of the two-year programme, after the end of the examinations of the fourth semester of the post graduate programme. Although it is an optional activity, all students should be encouraged to take up block placement / internship.

❖ **Rules, regulations and guidelines for BPT framed by University-**

- Every student shall require completing his/her block placement/ internship for a period of one month i.e. 30 working days after the fourth Semester examination. The Result of the candidates would be handed over to the College only after submission of a report on completion of block placement/ internship to the University. The Certificates indicating clearly successful completion of block placement/ internship by the students shall be retained by the concerned College.
- After completion of Block placement, the student must submit a report of work along with completion certificate to the Head/ Principal of the College/ Institute within 45 days from last day of MSW IVth semester university examination. Ordinarily, no leave of absence will be permissible during the stipulated period of the block field work placement.
- Every student is required to complete his/her block placement/ internship in a Government/ Non-Government organisations, welfare/development agency, Industries.
- The block placement/ internship shall be organized by a faculty nominated by the Principal.

❖ **Objective of Block Placement :**

- ✓ For Successful Completion of MSW Course, Block Placement Training (internship) is necessary.
- ✓ For Learning, Understanding and Practicing of MSW Course's Theory.
- ✓ For Understanding the direct feeling of Social Work Practices.

- ✓ Training helps boosting the Confidence of individual Student.

Every year placement and BPT cell of the college organized special sessions for the MSW last semester students to enrich their soft skills and life skills. Apart from that, placement cell conducted BPT workshop and give all guidelines to the MSW last semester students regarding BPT completion. In this workshop faculty member provide detail information about various agencies and voluntary organizations where students can apply for their BPT. This event helps students to know the background and work of the agency. At the end of the workshop students select their agencies and contact them for further process of permission for BPT. Generally period of BPT was in the month of May to June every year but some of the students extend due to some personal and family issues. Most of the students choose BPT agency as per their choice of working area and after completion of 30 days BPT, they continue working in their respective BPT agency as a job.
