### **BLOCK PLACEMENT TRAINING (Internship – BPT) Report – 2022-23**

#### **❖ Introduction :**

The block placement is a distinct feature of our MSW programs, allowing students to concentrate solely on the internship after completing all of MSW coursework. BPT provide the opportunity to the students to enhance knowledge and skills which learned in the classroom and apply them to real-world hands-on learning in the internship.

Internship is one of the components of social work practicum, wherein after the completion of the required field work, an opportunity is provided to the learner to strengthen his/her skill and knowledge base in his/her area of interest. Block Placement (Internship) aims to provide an opportunity to experience day-to-day work in a social work setting. The learner gets involved with direct practice with the client system and with the ongoing management operations of the setting. It also enables learners to integrate learning and generate newer learning by participating in the intervention processes over a period of 4 weeks (one month) continuously, in a specific agency. Block fieldwork is provided at the end of the two-year programme, after the end of the examinations of the fourth semester of the post graduate programme. Although it is an optional activity, all students should be encouraged to take up block placement / internship.

#### **❖ Rules, regulations and guidelines for BPT framed by University-**

- Every student shall require completing his/her block placement/ internship for a period of one month i.e. 30 working days after the fourth Semester examination. The Result of the candidates would be handed over to the College only after submission of a report on completion of block placement/ internship to the University. The Certificates indicating clearly successful completion of block placement/ internship by the students shall be retained by the concerned College.

- Every student is required to complete his/her block placement/ internship in a Government/ Non-Government organisations, welfare/development agency, Industries.
- The block placement/ internship shall be organized by a faculty nominated by the Principal.
