Parents Satisfactory Survey- 2020-21 Parents Satisfaction Survey Report of College

Introduction:

This report presents the findings of the Parents Satisfaction Survey conducted at Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social work Amalner. The survey aimed to assess the level of satisfaction among parents regarding various aspects of their child's college experience, including academic quality, infrastructure, faculty, support services, and overall satisfaction with the institution. The survey was conducted online between the date 15-10-2020 to 30-10-2020 and collected parents responded.

Key Findings:

Infrastructure and Facilities: Q No - 1

75 % of parents rated the college's infrastructure and facilities positively.

Classrooms, libraries, laboratories, and other amenities were generally perceived as adequate and conducive to learning.

Faculty: Q No - 2

80 % of parents expressed satisfaction with the faculty members at the college. Parents appreciated the expertise, accessibility, and commitment of the faculty in supporting their child's learning journey.

Safety and Security: Q No - 5

84 % of parents expressed satisfaction with the safety and security measures implemented by the college. Parents felt confident in the college's efforts to provide a secure environment for their child.

Support Services: Q No - 6

75 % of parents reported satisfaction with the support services offered by the college. Parents acknowledged the availability of counseling, career guidance, and academic support for their child.

Academic Quality: Q No - 12

77 % of parents expressed satisfaction with the academic quality provided by the college. Parents felt that their child's educational needs were met and that the curriculum was relevant and rigorous.

Overall Satisfaction: Q No - 13

87 % of parents reported overall satisfaction with their child's experience at the college. Percentage of parents indicated that they would recommend the college to other parents.

Communication and Engagement: Q No - 16

79 % of parents felt that the college maintained effective communication with them. Parents appreciated regular updates, parent-teacher meetings, and opportunities to engage with faculty and college administration.

Recommendations:

Based on the survey findings, the following recommendations can be considered to further enhance parents' satisfaction and strengthen the college-parent relationship:

* Encourage parent involvement in college activities, such as career fairs, cultural events, and guest lectures, to foster a sense of community and shared responsibility.

* Regularly assess and upgrade infrastructure and facilities based on parent feedback and changing requirements. Continuously review and update the curriculum to align with industry trends and emerging educational needs.

Conclusion:

The Parents Satisfaction Survey provides valuable insights into the strengths and areas for improvement within College. By implementing the recommendations mentioned above and strengthening the college-parent relationship, the institution can further enhance parents' satisfaction and ensure their continued support. The college appreciates the participation of all parents in the survey and remains committed to providing an exceptional educational experience for their children.

Parents Satisfactory Survey- 2021-22 Parents Satisfaction Survey Report of College

Introduction:

This report presents the findings of the Parents Satisfaction Survey conducted at Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social work Amalner. The survey aimed to assess the level of satisfaction among parents regarding various aspects of their child's college experience, including academic quality, infrastructure, faculty, support services, and overall satisfaction with the institution. The survey was conducted online Between 10-11-2021 to 20-11-2021 and collected parents responded.

Key Findings:

Infrastructure and Facilities: Q No 1

75 % of parents rated the college's infrastructure and facilities positively. Classrooms, libraries, laboratories, and other amenities were generally perceived as adequate and conducive to learning.

Faculty: Q No 2

81 % of parents expressed satisfaction with the faculty members at the college. Parents appreciated the expertise, accessibility, and commitment of the faculty in supporting their child's learning journey.

Safety and Security: Q No 5

84 % of parents expressed satisfaction with the safety and security measures implemented by the college. Parents felt confident in the college's efforts to provide a secure environment for their child.

Support Services: Q No 6

82 % of parents reported satisfaction with the support services offered by the college. Parents acknowledged the availability of counseling, career guidance, and academic support for their child.

Academic Quality: Q No 12

84 % of parents expressed satisfaction with the academic quality provided by the college. Parents felt that their child's educational needs were met and that the curriculum was relevant and rigorous.

Overall Satisfaction: Q No 13

87 % of parents reported overall satisfaction with their child's experience at the college. Percentage of parents indicated that they would recommend the college to other parents.

Communication and Engagement: Q No 16

86 % of parents felt that the college maintained effective communication with them. Parents appreciated regular updates, parent-teacher meetings, and opportunities to engage with faculty and college administration.

Recommendations:

Based on the survey findings, the following recommendations can be considered to further enhance parents' satisfaction and strengthen the college-parent relationship:

* Evaluate and enhance existing support services to meet the evolving needs of students and parents. Seek parent feedback on support services and implement suggestions for improvement.

* Regularly assess and upgrade infrastructure and facilities based on parent feedback and changing requirements. Continuously review and update the curriculum to align with industry trends and emerging educational needs.

Conclusion:

The Parents Satisfaction Survey provides valuable insights into the strengths and areas for improvement within Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner. By implementing the recommendations mentioned above and strengthening the college-parent relationship, the institution can further enhance parents' satisfaction and ensure their continued support. The college appreciates the participation of all parents in the survey and remains committed to providing an exceptional educational experience for their children.

Stakeholders Satisfaction Survey Report 2020-21

Introduction:

This report provides an update on the actions taken based on the findings of the Stakeholders Satisfaction Survey conducted at Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social work Amalner. The survey aimed to assess the satisfaction levels of various stakeholders, including students, parents, faculty, alumni, and the local community, regarding their experience and perception of the college. The survey results have been carefully reviewed, and the college administration has taken proactive steps to address the concerns and feedback raised by the stakeholders.

Key Findings:

Student Satisfaction: Q: No 5

87 % of students expressed overall satisfaction with their college experience. Students appreciated the quality of education, infrastructure, faculty support, and extracurricular opportunities provided by the college.

Parent Satisfaction: Q: No 17

78 % of parents reported satisfaction with the college and their child's educational experience. Parents recognized the college's efforts in academic quality, support services, communication, and engagement.

Faculty Satisfaction: Q: No 18

87 % of faculty members expressed overall satisfaction with their work environment and the college's support.

Faculty appreciated the professional development opportunities, infrastructure, and collaborative atmosphere.

Alumni Satisfaction: Q: No 7, 8

87 % of alumni expressed satisfaction with the education received and their overall experience at the college. Alumni recognized the college's role in their career development and appreciated the support provided.

Community Satisfaction: Q: No 10

79 % of the local community members expressed satisfaction with the college's contributions and engagement with the community. The college was seen as a valuable educational institution that positively impacted the community

Recommendation –

Based on the findings of the Stakeholders Satisfaction Survey conducted the following recommendations are suggested to further enhance stakeholder satisfaction and strengthen the relationship between the college and its stakeholders:

Stakeholder Involvement:

Establish stakeholder advisory boards or committees comprising representatives from various stakeholder groups, such as alumni, parents, and local community members. These boards can provide valuable insights and guidance to the college administration. Organize stakeholder-specific events, workshops, and focus groups to actively involve stakeholders in decision-making processes and collect their feedback on key initiatives

Support Services:

Strengthen support services for students, faculty, and staff by expanding counselling resources, career guidance, and academic support programs. Regularly assess the effectiveness of support services through stakeholder feedback and make necessary improvements.

Conclusion:

Implementing the above recommendations will contribute to strengthening the relationship between the college and its stakeholders, enhancing stakeholder satisfaction, and further improving the college experience. By actively engaging with stakeholders, addressing their specific needs and concerns, and fostering collaboration and partnerships, the college can create a positive and supportive environment that meets the expectations of its stakeholders. The college administration should prioritize stakeholder feedback and commit to continuous evaluation and improvement to maintain strong stakeholder relationships and promote the overall growth and success of the institution

Stakeholders Satisfaction Survey 2021-22

Introduction:

This report provides an update on the actions taken based on the findings of the Stakeholders Satisfaction Survey conducted at [Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social work Amalner]. The survey aimed to assess the satisfaction levels of various stakeholders, including students, parents, faculty, alumni, and the local community, regarding their experience and perception of the college. The survey results have been carefully reviewed, and the college administration has taken proactive steps to address the concerns and feedback raised by the stakeholders.

Key Findings:

Student Satisfaction: Q: No 5

80 % of students expressed overall satisfaction with their college experience. Students appreciated the quality of education, infrastructure, faculty support, and extracurricular opportunities provided by the college.

Parent Satisfaction: Q: No 17

75 % of parents reported satisfaction with the college and their child's educational experience. Parents recognized the college's efforts in academic quality, support services, communication, and engagement.

Faculty Satisfaction: Q: No 18

86 % of faculty members expressed overall satisfaction with their work environment and the college's support.

Faculty appreciated the professional development opportunities, infrastructure, and collaborative atmosphere.

Alumni Satisfaction: Q: No 7, 8

87 % of alumni expressed satisfaction with the education received and their overall experience at the college. Alumni recognized the college's role in their career development and appreciated the support provided.

Community Satisfaction: Q: No 10

86 % of the local community members expressed satisfaction with the college's contributions and engagement with the community. The college was seen as a valuable educational institution that positively impacted the community

Recommendation –

Based on the findings of the Stakeholders Satisfaction Survey conducted the following recommendations are suggested to further enhance stakeholder satisfaction and strengthen the relationship between the college and its stakeholders:

Communication and Engagement:

Explore the use of multiple communication channels, including social media platforms, newsletters, and online forums, to reach a wider range of stakeholders.

Continuous Evaluation and Improvement:

Conduct periodic stakeholder satisfaction surveys to monitor satisfaction levels and identify areas for improvement. Regularly review and update action plans based on stakeholder feedback to ensure continuous improvement and alignment with stakeholder expectations.

Conclusion:

Implementing the above recommendations will contribute to strengthening the relationship between the college and its stakeholders, enhancing stakeholder satisfaction, and further improving the college experience. By actively engaging with stakeholders, addressing their specific needs and concerns, and fostering collaboration and partnerships, the college can create a positive and supportive environment that meets the expectations of its stakeholders. The college administration should prioritize stakeholder feedback and commit to continuous evaluation and improvement to maintain strong stakeholder relationships and promote the overall growth and success of the institution

Students Satisfactory Survey- 2020-21

Introduction:

The purpose of this report is to present the findings of the Student Satisfaction Survey conducted at Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner.

The survey aimed to gather feedback from students regarding various aspects of their college experience, including infrastructure, teaching and learning, support services, co-curricular activities, and overall satisfaction. The survey was conducted anonymously, and total of 150 students responded.

Key Findings:

Support System: Q No 6

88 % of students was aware of the support services available to them, such as counseling, career guidance, and academic assistance.

Among those who utilized the support services, 80 % rated them as effective in meeting their needs.

However, there is an opportunity to increase awareness and utilization of support services among students.

Co-curricular and Extra-curricular Activities: Q No 7

77 % of students expressed satisfaction with the opportunities provided for co-curricular and extra-curricular activities.

The college's efforts in organizing events, clubs, and sports activities were positively received by 71 % of students.

Teaching and Learning: Q No 11

90 % of students reported satisfaction with the teaching methods employed by the faculty. Faculty members were generally rated positively in terms of their knowledge, expertise, and ability to explain concepts effectively.

The curriculum was deemed relevant and up-to-date by 82 % of students.

Infrastructure and Facilities' Q No 12

90 % of students expressed satisfaction with the overall infrastructure of the college. Classrooms, laboratories, libraries, and other facilities received positive ratings from [80] % of students, indicating their quality and suitability.

Overall Satisfaction: Q No 18

89 % of students rated their overall experience at the college positively.78 % of students indicated that they would recommend the college to others.

Recommendations:

Based on the survey findings, the following recommendations can be considered to further enhance student satisfaction:

Expand Co-curricular and Extra-curricular Activities:

Introduce a wider range of activities and clubs to cater to diverse student interests. Encourage student involvement in planning and organizing activities to foster a sense of ownership and engagement.

Faculty Development:

Provide ongoing professional development opportunities for faculty to enhance their teaching methods and subject expertise.

Encourage faculty to foster an interactive and engaging learning environment.

Conclusion:

The Student Satisfaction Survey provides valuable insights into the strengths and areas for improvement within Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner. By implementing the recommendations mentioned above and addressing the concerns raised by students, the college can further enhance the overall student experience and satisfaction. The college appreciates the participation of all the students in the survey and remains committed to providing a conductive learning environment.

Teachers Survey Report - 2020-21

Introduction:

This report presents the findings of the Teachers Satisfaction Survey conducted at Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social work Amalner. The purpose of the survey was to assess the level of satisfaction and gather feedback from faculty members regarding various aspects of their teaching experience, working conditions, professional development opportunities, and overall satisfaction with the college. The survey was conducted 01-01-2021 to 10-01-2021 and faculty members responded.

Key Findings:

Workload and Work-Life Balance: Q: No. 6

98 % of faculty members felt that their workload was manageable and reasonable. However,81 % of faculty members expressed a desire for improved work-life balance.

Administrative Support: Q: No. 9

87 % of faculty members were satisfied with the administrative support provided by the college.

Timely and efficient administrative processes were generally rated positively.

Resources and Facilities: Q: No 12

98 % of faculty members were satisfied with the availability and quality of resources and facilities required for teaching.

Classrooms, laboratories, libraries, and other infrastructure received positive ratings from 93 % of faculty members.

Professional Development's: Q: No. 14

96 % of faculty members expressed satisfaction with the professional development opportunities provided by the college.

Workshops, seminars, conferences, and other development programs were deemed beneficial by 85 % of faculty members.

Teaching Environment: Q: No 15

86 % of faculty members expressed satisfaction with the overall teaching environment at the college.

The majority of faculty members felt that the college provides a supportive and conducive atmosphere for teaching and learning.

Support and Collaboration: Q: No 20

92 % of faculty members felt supported by their colleagues and the college administration. Collaboration and teamwork among faculty members were generally rated positively.

Overall Satisfaction: Q: No 17

90 % of faculty members reported overall satisfaction with their experience at the college. 74% of faculty members indicated that they would recommend the college as a workplace to others.

Recommendations:

Based on the survey findings, the following recommendations can be considered to further enhance teachers' satisfaction and overall working conditions:

Continued Support and Collaboration:

Foster a culture of collaboration among faculty members through regular meetings, workshops, and forums for sharing best practices.

Strengthen support mechanisms for faculty, including mentoring programs and opportunities for peer-to-peer learning.

Professional Development:

Expand and diversify professional development opportunities, taking into account the specific needs and interests of faculty members.

Encourage faculty to engage in research activities and attend conferences to enhance their professional growth.

Conclusion:

The Teachers Satisfaction Survey provides valuable insights into the strengths and areas for improvement within Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner. By implementing the recommendations mentioned above and addressing the concerns raised by faculty members, the college can further enhance teachers' satisfaction, working conditions, and professional development opportunities. The college acknowledges the valuable feedback provided by the faculty and remains committed to creating a supportive and engaging environment for teaching and learning.

Teachers Satisfactory Survey- 2021-22

Introduction:

This report presents the findings of the Teachers Satisfaction Survey conducted at [Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social work Amalner]. The purpose of the survey was to assess the level of satisfaction and gather feedback from faculty members regarding various aspects of their teaching experience, working conditions, professional development opportunities, and overall satisfaction with the college. The survey was 25-12-2021 to 05-01-2022 and faculty members responded.

Key Findings:

Workload and Work-Life Balance: Q: No. 6

97 % of faculty members felt that their workload was manageable and reasonable. However, 80 % of faculty members expressed a desire for improved work-life balance.

Administrative Support: Q: No. 9

88 % of faculty members were satisfied with the administrative support provided by the college. Timely and efficient administrative processes were generally rated positively.

Resources and Facilities: Q: No 12

95 % of faculty members were satisfied with the availability and quality of resources and facilities required for teaching.

Classrooms, laboratories, libraries, and other infrastructure received positive ratings from 90 % of faculty members.

Professional Development's: Q: No. 14

94 % of faculty members expressed satisfaction with the professional development opportunities provided by the college.

Workshops, seminars, conferences, and other development programs were deemed beneficial by 87 % of faculty members.

Teaching Environment: Q: No 15

85 % of faculty members expressed satisfaction with the overall teaching environment at the college.

The majority of faculty members felt that the college provides a supportive and conducive atmosphere for teaching and learning.

Support and Collaboration: Q: No 20

92 % of faculty members felt supported by their colleagues and the college administration. Collaboration and teamwork among faculty members were generally rated positively.

Overall Satisfaction: Q: No 17

97 % of faculty members reported overall satisfaction with their experience at the college. 70 % of faculty members indicated that they would recommend the college as a workplace to others.

Recommendations:

Based on the survey findings, the following recommendations can be considered to further enhance teachers' satisfaction and overall working conditions:

Professional Development:

Expand and diversify professional development opportunities, taking into account the specific needs and interests of faculty members.

Encourage faculty to engage in research activities and attend conferences to enhance their professional growth.

Work-Life Balance:

Review and optimize workload distribution to ensure a reasonable balance and avoid excessive demands on faculty members.

Introduce initiatives to promote work-life balance, such as flexible scheduling and wellness programs.

Conclusion:

The Teachers Satisfaction Survey provides valuable insights into the strengths and areas for improvement within Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner. By implementing the recommendations mentioned above and addressing the concerns raised by faculty members, the college can further enhance teachers' satisfaction, working conditions, and professional development opportunities. The college acknowledges the valuable feedback provided by the faculty and remains committed to creating a supportive and engaging environment for teaching and learning.

APPENDIX - III

Action Taken Report on Parents Satisfactory Survey- 2020-21

Parent Involvement:

* The college encourages and facilitates parent involvement in various college activities, such as career fairs, cultural events, and guest lectures.

* Parent participation is actively sought in parent-teacher meetings, where they can engage with faculty members and discuss their child's progress.

* Parent volunteer programs have been initiated to encourage parents to contribute their skills and expertise to enrich the college community.

Continuous Improvement:

* The college administration regularly reviews and upgrades infrastructure and facilities based on parent feedback and changing requirements.

* The curriculum is continually evaluated and updated to align with industry trends and emerging educational needs.

* Parent surveys and feedback mechanisms are regularly conducted to gather input and identify areas for improvement.

Conclusion:

The actions taken based on the findings of the Parents Satisfaction Survey demonstrate the college's commitment to addressing parent concerns and strengthening the college-parent relationship. By enhancing communication channels, promoting parent engagement,

strengthening support services, providing parent involvement opportunities, and prioritizing continuous improvement, the college aims to ensure parents' satisfaction and involvement **Survey Conducting Date:-** Between 15-10-2020 to 30-10-2020

Academic Support and Enhancement:

* The college has implemented additional academic support programs, such as tutoring services, study groups, and peer mentoring, to assist students in their learning journey.

* Faculty members have been encouraged to incorporate innovative teaching methods and engage students in active learning experiences.

* Student feedback is regularly collected and reviewed to make necessary improvements to the curriculum and instructional approaches.

Student Support Services:

* The college has expanded counselling services, career guidance, and academic support resources to cater to the diverse needs of students.

* Student support staff has been trained to provide personalized assistance and timely guidance to students facing challenges.

* The college administration has increased communication channels to ensure students are aware of the available support services.

Enriching Extracurricular Activities:

* The college has introduced new clubs, student organizations, and cultural events to provide a wider range of extracurricular opportunities.

* Students are actively involved in planning and organizing these activities, promoting their sense of ownership and engagement.

* The college encourages student participation in sports events, competitions, and community service initiatives to foster holistic development.

Conclusion:

The actions taken based on the findings of the Students Satisfaction Survey reflect the college's commitment to addressing student concerns and continuously enhancing the college experience. By focusing on academic support, infrastructure upgrades, student support services, enriching extracurricular activities, and maintaining effective feedback mechanisms, the college

Students Satisfactory Survey- 2020-21

Introduction:

The purpose of this report is to present the findings of the Student Satisfaction Survey conducted at Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner.

The survey aimed to gather feedback from students regarding various aspects of their college experience, including infrastructure, teaching and learning, support services, co-curricular activities, and overall satisfaction. The survey was conducted anonymously, and total of 150 students responded.

Key Findings:

Support System: Q No 6

88 % of students was aware of the support services available to them, such as counseling, career guidance, and academic assistance.

Among those who utilized the support services, 80 % rated them as effective in meeting their needs.

However, there is an opportunity to increase awareness and utilization of support services among students.

Co-curricular and Extra-curricular Activities: Q No 7

77 % of students expressed satisfaction with the opportunities provided for co-curricular and extra-curricular activities.

The college's efforts in organizing events, clubs, and sports activities were positively received by 71 % of students.

Teaching and Learning: Q No 11

90 % of students reported satisfaction with the teaching methods employed by the faculty. Faculty members were generally rated positively in terms of their knowledge, expertise, and ability to explain concepts effectively.

The curriculum was deemed relevant and up-to-date by 82 % of students.

Infrastructure and Facilities' Q No 12

90 % of students expressed satisfaction with the overall infrastructure of the college. Classrooms, laboratories, libraries, and other facilities received positive ratings from [80] % of students, indicating their quality and suitability.

Overall Satisfaction: Q No 18

89 % of students rated their overall experience at the college positively.78 % of students indicated that they would recommend the college to others.

Recommendations:

Based on the survey findings, the following recommendations can be considered to further enhance student satisfaction:

Expand Co-curricular and Extra-curricular Activities:

Introduce a wider range of activities and clubs to cater to diverse student interests. Encourage student involvement in planning and organizing activities to foster a sense of ownership and engagement.

Faculty Development:

Provide ongoing professional development opportunities for faculty to enhance their teaching methods and subject expertise.

Encourage faculty to foster an interactive and engaging learning environment.

Conclusion:

The Student Satisfaction Survey provides valuable insights into the strengths and areas for improvement within Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner. By implementing the recommendations mentioned above and addressing the concerns raised by students, the college can further enhance the overall student experience and satisfaction. The college appreciates the participation of all the students in the survey and remains committed to providing a conductive learning environment.

Students Satisfactory Survey- 2021-22

Introduction:

The purpose of this report is to present the findings of the Student Satisfaction Survey conducted at Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner.

The survey aimed to gather feedback from students regarding various aspects of their college experience, including infrastructure, teaching and learning, support services, co-curricular activities, and overall satisfaction. The survey was conducted on 10-11-2021 to 20-11-2021 and collected students responded.

Key Findings:

Support Services: Q:No 6

95 % of students was aware of the support services available to them, such as counseling, career guidance, and academic assistance.

Among those who utilized the support services, [85] % rated them as effective in meeting their needs.

However, there is an opportunity to increase awareness and utilization of support services among students.

Co-curricular and Extra-curricular Activities: Q:No 7

86% of students expressed satisfaction with the opportunities provided for co-curricular and extra-curricular activities.

The college's efforts in organizing events, clubs, and sports activities were positively received by [78] % of students.

Teaching and Learning: Q: No 11

96% of students reported satisfaction with the teaching methods employed by the faculty.

Faculty members were generally rated positively in terms of their knowledge, expertise, and ability to explain concepts effectively.

The curriculum was deemed relevant and up-to-date by 87 % of students.

Infrastructure and Facilities' Q:No 12

96% of students expressed satisfaction with the overall infrastructure of the college. Classrooms, laboratories, libraries, and other facilities received positive ratings from 83 % of students, indicating their quality and suitability.

Overall Satisfaction: Q:No 18

92 % of students rated their overall experience at the college positively.82 % of students indicated that they would recommend the college to others.

Recommendations:

Based on the survey findings, the following recommendations can be considered to further enhance student satisfaction:

Communication and Awareness:

Improve communication channels to ensure students are well-informed about support services, activities, and college updates.

Conduct regular awareness campaigns to increase student knowledge and utilization of available resources.

Expand Co-curricular and Extra-curricular Activities:

Introduce a wider range of activities and clubs to cater to diverse student interests. Encourage student involvement in planning and organizing activities to foster a sense of

ownership and engagement.

Faculty Development:

Provide ongoing professional development opportunities for faculty to enhance their teaching methods and subject expertise.

Encourage faculty to foster an interactive and engaging learning environment.

Conclusion:

The Student Satisfaction Survey provides valuable insights into the strengths and areas for improvement within Shram Safalya Education Society's Pandit Jawaharlal Nehru College of Social Work Amalner. By implementing the recommendations mentioned above and addressing the concerns raised by students, the college can further enhance the overall student experience and satisfaction. The college appreciates the participation of all the students in the survey and remains committed to providing a conductive learning environment.

Action Taken Report on Teachers Survey- 2020-21

Support and Collaboration Initiatives:

* The college has established regular faculty meetings and forums for sharing best practices and fostering collaboration. Mentoring programs have been introduced to support new faculty members and facilitate their integration into the college community.

* The college administration encourages open communication channels and welcomes feedback from faculty members to address their concerns.

Professional Development Programs:

* The college has expanded its professional development programs to cater to the specific needs and interests of faculty members.

* Additional workshops, seminars, and training sessions have been organized to provide faculty with opportunities for growth and skill enhancement.

* Faculty members are encouraged to attend conferences and present their research findings to stay updated in their respective fields.

Conclusion:

The actions taken based on the findings of the Teachers Satisfaction Survey demonstrate the college's commitment to addressing faculty concerns and creating an environment that supports their professional growth and overall satisfaction. By enhancing resources and facilities, fostering support and collaboration, expanding professional development opportunities, and addressing workload and work-life balance issues, the college aims to create a positive and conducive work environment for its faculty members. The college appreciates the valuable feedback provided by the faculty and will continue to prioritize their satisfaction and well-being.

Action Taken Report on Teachers Survey-2021-22

Professional Development Programs:

* The college has expanded its professional development programs to cater to the specific needs and interests of faculty members.

* Additional workshops, seminars, and training sessions have been organized to provide faculty with opportunities for growth and skill enhancement.

* Faculty members are encouraged to attend conferences and present their research findings to stay updated in their respective fields.

Workload and Work-Life Balance:

* The college has implemented measures to address workload concerns raised by faculty members.

* Workload distribution has been reviewed to ensure fairness and avoid excessive demands on individual faculty members.

* The college is exploring flexible scheduling options and implementing policies that promote work-life balance.

Conclusion:

The actions taken based on the findings of the Teachers Satisfaction Survey demonstrate the college's commitment to addressing faculty concerns and creating an environment that supports their professional growth and overall satisfaction. By enhancing resources and facilities, fostering support and collaboration, expanding professional development opportunities, and addressing workload and work-life balance issues, the college aims to create a positive and conducive work environment for its faculty members. The college appreciates the valuable feedback provided by the faculty and will continue to prioritize their satisfaction and well-being.

Survey Conducted between 25-12-2021 to 05-01-2022 .

Action Taken Report on Alumina Satisfaction Survey 2021-22

Strengthening Career Support:

The college has established a dedicated Career Services Center to enhance career support for alumni. The center provides comprehensive career counseling, job placement assistance, and organizes industry-specific workshops and networking events. Alumni are regularly informed about job opportunities through a dedicated alumni job portal and are encouraged to engage with the center for career guidance.

Curriculum Enhancement:

The college has formed a Curriculum Development Committee comprising faculty members, alumni representatives, and industry experts. The committee reviews and updates the curriculum regularly to ensure its alignment with industry trends and emerging developments. Feedback and suggestions from alumni regarding curriculum improvements have been incorporated into the review process.

Alumni Engagement:

The college has established an Alumni Relations Office to foster stronger connections between alumni and the institution.

Regular alumni events, reunions, and networking activities are organized to promote alumni engagement and strengthen the alumni network.

Alumni are invited as guest speakers, mentors, and industry advisors to provide valuable insights and guidance to current students.

Infrastructure Upgrades:

Based on alumni feedback, the college has invested in upgrading infrastructure and facilities. Renovations and modernizations have been undertaken to provide state-of-the-art classrooms, laboratories, and other amenities.

The college has also improved the library resources and upgraded technology infrastructure to enhance the learning experience.

Alumni Recognition:

The college has implemented an Alumni Recognition Program to acknowledge the achievements and contributions of outstanding alumni.

Awards and honors are presented annually to alumni who have excelled in their respective fields. Alumni success stories are regularly highlighted through college publications and social media platforms to inspire and motivate current students.

The actions taken based on the findings of the Alumni Satisfaction Survey demonstrate the college's commitment to addressing alumni concerns and continuously improving the educational experience. The establishment of dedicated career support services, curriculum enhancements, alumni engagement initiatives, infrastructure upgrades, and alumni recognition programs reflect the college's efforts to strengthen the alumni community and maintain strong ties with its graduates. The college values the feedback provided by alumni and will continue to prioritize their satisfaction and success.
