

SHRAM SAFALYA EDUCATION SOCIETY'S
PANDIT JAWAHARLAL NEHRU COLLEGE OF SOCIAL WORK,

AMALNER

ACADEMIC YEAR 2018-19

Best Practice 1 – 2018-19

1. Title: RESPONSE TO SOCIAL ISSUES THROUGH EXTENSION ACTIVITIES

2. Objective –

1. Orientation and sensitization of students on various social issues.
2. To plan and implement the various extension activities in community.
3. To make awareness and sensitizations about social issues among community
4. To give practical orientation to the students about community resource mobilization.

3. The Context –

Our college is situated in rural area of Jalgaon district of North Maharashtra region and most of the admissions to the BSW and MSW course came from rural and tribal area of the region. Trainee social worker placed in neighbouring community for the field work practice. While practicing with community, students and faculties observed many social issues which have to address by multiple ways of community awareness. In this connection college has been actively plan and implement the extension activities by involving social work students as well Community Based Organizations (CBOs).

4. The Practice –

College has planned and implement the need based social awareness activities in the neighbouring communities during the field work task. The brain storming and mentoring sessions was conducted by the faculties with students for which types of activities need to conduct for making awareness in community in classroom sessions. After these grooming sessions, students came with innovative list of extension activities to conduct in community. After discussion, students made plan of activities and finalized extension program to make the awareness and sensitization in community through various programs. These activities conducted in series mode and mostly BSW and MSW mix group was taken initiative in implementation.

5. The Evidence of Success –

The details of the extension activities conducted is as follows;

1. Awareness and sensitization program on National Pulse Polio immunization organized at Amalner city. Students worked as volunteer during the vaccination day on various booths with government functionaries.
2. Organized Special Rally on HIV AIDS to make the awareness and sensitization in the various communities of Amalner city on the occasion of World AIDS Day. In these extension program students has conducted Street Plays, Slogans in Rallies, displayed Banner and posters during the one week events.
3. Organized one day Shramdan and special rally on rural sanitation and personal hygiene by NSS volunteers at NSS Village Gadkhamb. This activity helps to make awareness among villagers for open defecation free (Hagandari Mukh Gaon) village campaign.
4. Government of India and Maharashtra focusing on Swachh Bharat Abhiyan, with response to this college students conducted Sanitation and Personal hygiene awareness program in rural areas. This program was conducted in the field work communities by organizing awareness rallies, street plays and corner meetings.
5. Every year college has celebrated World Women Day very enthusiastically by organizing various activities not only in college but also in communities too.
6. Tree plantation and environment awareness Programme was conducted in the college campus as well as all field work agencies. Special campaign was initiated by the field work committee and involved all students to make awareness by organizing special talks, guest lectures and planting the trees.

6. Problems Encountered and Resources Required –

While conducting such extension activities, college has faced some problems regarding required resources but resources were mobilized through the community.

7. Notes (Optional) – It is observed that all the students participated actively, especially women students become more vocal and taken initiatives in extension program. Due to active participation of women students, the participation of women from communities has found increased.

AMALNER

ACADEMIC YEAR 2018-19

AMALNER

Best Practice 2 – 2018-19

1. Title: STUDENTS' CAPACITY BUILDING AND DEVELOPING RESEARCH SKILLS AND EMPLOYABILITY

2. Objective –

1. To provide the orientation on Social Work Research
2. To enhance research aptitude and application of research tools.
3. To develop survey and documentation skills
4. To improve presentation, interview and other employability skills.
5. To administer the one year Value Added PG Diploma in Advance Trends in Social Work Research.

3. The Context –

The research is one of the emerging areas not only for social development field but also for all fields. Social issues need to address by finding the root causes and it will happen through scientific investigation of the issues. In this connection, trainee social worker needs to develop research aptitude while completing their BSW and MSW course. Research domain has greater employability opportunities and it will develop through the practice and orientation.

4. The Practice –

As per the annual planning of Research Cell of the college, faculty members conducted series of workshop on topic selection, design of research, data collection tools and report writing contents. Apart from that, college has started one year Value Added PG Diploma in Advance Trends in Social Work Research for MSW students. The employability Skills building is also one of the concern of our college, in this regard college has given focus on various events based on Employability skills during the year.

5. The Evidence of Success –

Following initiatives and programs were organized by the college during the year to develop the research and employability skills among the students.

- A. Enrolled 60 MSW first year students to one year Value Added PG Diploma in Advance Trends in Social Work Research.
- B. Organized Research Orientation programmed – BSW III & MSW II
- C. One day Workshop on Research Proposal writing for BSW III & MSW II
- D. One day Workshop on tools for data collection organized by college for BSW III & MSW II
- E. One day Workshop on method of data processing organized for BSW III & MSW II
- F. One day Workshop on Research report Writing organized for BSW III & MSW II
- G. One day Regional workshop on Youth and Democracy – Organized by Grassroots Empowerment and Development by Youth, New Delhi
- H. Students Participation in Leadership workshop for SC ST and OBC Students, Organized at J J Nursing Association Malad Mumbai
- I. One Day Personality Development Workshop with celebration of Rotary Club Amalner
- J. Special Workshop on SET, NET & Social Work Career.

6. Problems Encountered and Resources Required –

Availability of quality reading material is available mostly in English language therefore students faced some issues regarding understanding.

7. Notes (Optional) - Considering the students' financial condition, college has initiated this PGD course in very minimum fees. Encouraging response of students to getting admission for one year Value Added PG Diploma in Advance Trends in Social Work Research.
