Voting Awareness Campaign Report – 2022-23

Introduction –

Election Commission of India has shown to the whole world that our country's democracy is strong and successful all over the world. Since the Election Commission of India was established on 25 January 1950, this day is being celebrated as National Voter's Day across the country. In order to create public awareness about voting, the administration organizes various programs under the guidance of the Collector in all the districts. Voting is necessary for the interest and development of the country. The voter is the king. Voters should exercise their sacred right to vote in elections for the strengthening of democracy. This is highlighted by this National Voter's Day.

This day is celebrated to create awareness among new voters. On this occasion, various competitions, public awareness programs are organized at school and college level in the district. Programs have been organized at the village, taluka and district levels as per the guidelines of the Election Commission of India. Also, the National Service Scheme has organized regular programs and special winter labor camps in order to make volunteers ready and capable for patriotism, national integration, pan-religious harmony, tolerance and social commitment among the students. Working for social awareness through two activities.

Objectives of Programe-

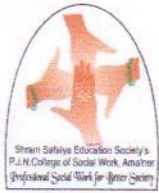

- Understanding the voting process to inculcate democracy in the minds of the youth
- In order to strengthen democracy, the Constitution of India has given the right to vote, to promote it
- Building strong political leadership by dispelling misconceptions about voting
- To create public awareness among the people by promoting and disseminating polling day
