- Practice national integration and social harmony.

Aims of NSS Programme-

The operational aims of NSS is to integrate the three basic components of the programme. NSS programme should provide a variety of learning experiences which must develop a sense of participation, service and achievement among the volunteers. The activities should aim at the following:-

- ❖ Making education more relevant to the present situation to meet the needs of the community & to supplement the education of the college students by bringing them face to face with the rural situation.
- ❖ Providing opportunities to the students to play their role in planning and executing development projects which would not only help in creating durable community assets in rural areas and urban slums but also results in the improvement of quality of life of the economically and socially weaker sections of the community;
- ❖ Encouraging students and other citizens to work together along with the adults in rural areas.
- ❖ Developing qualities of leadership by discovering the latent potential among the campers, both students as well as local youth (Rural and Urban), with a view to involve them more intimately in the development programme and also to ensure proper maintenance of the assets created during the camps.
- ❖ Emphasizing dignity of labour and self-help and the need for combining physical work with intellectual pursuits.
- ❖ Encouraging youth to participate enthusiastically in the process of national development and promote national integration, through corporate living and cooperative action. While undertaking these activities, each NSS unit should envisage its programmes activities aimed at instilling discipline, building character, promotion of physical fitness and development of culture.
