3. This scheme is introduced by the Linen club to develop confidence and personality of a girl student who comes from the rural areas and deprived sections of society called as yuvati sabha. The marginalization and deprivation is double if you are a woman and from the backward or scheduled castes.

The main objective of this is to develop Health mind, self-confidence and a commitment to society. The girl students are given lecturer in health. This is open to all regular girl students from all the affiliated college / institutes. Funds for organizing these activities The concerned college or institutes have to organize seminars, camps/workshops of yuvati sabha.

Our College has conducted the personality development program under the Yuvati Sabha on dated 18/3/2023. This one day workshop on women and health was organized with the support of affiliated university.

Dr. Supriya kulkarni Dhurga Hospital Amalner in this workshop with the alliance in its daily life. How to take care of life Goodbye for personality development Health Importance of life treatment, women's health and media were guided A total of 66 female students participated in the workshop. Sanitary Napkins were distributed to the Students by Linen Club.
